Dear Prof. Luo,

I am writing to invite you, an associate professor in Shantou University to join my research group at National University of Singapore (NUS) as a visiting scholar. The visiting period is tentatively scheduled from 1 July 2022 to 31 December 2022. During your visit at NUS, you will be working on the development of perovskite-based nanomaterials and devices for imaging applications where your skills will be fully utilized.

I understand that your expenses in Singapore including travel, living, and healthcare will be fully covered by China Association of Science and Technology. I will provide you with essential needs for work in my group such as shared office and laboratory spaces, access to library, internet and office supplies.

If you have any questions with regard to this invitation, please feel free to contact me.

I look forward to seeing you in Singapore.

Sincerely,
