Dear Mr./Miss Fan FANG,

RE: The 28th International Conference of the International Association for Intercultural Communication Studies

On behalf of the International Association for Intercultural Communication Studies (IAICS), I am writing to invite you to speak at its 28th International Conference. With a theme of "Synergies in Intercultural Communication: Languages, Professions and Heritages", this year's conference will be hosted by the City University of Macau between 23rd and 25th March 2023.

For the 28th International Conference, we expect hundreds of scholars around the world to gather in Macau to discuss common research interests. They are from a range of cultural sciences and are dedicated to doing research on communication across cultures. We believe your participation would bring great contribution to the Conference.

The registration fee for a non-IAICS member is 2,000 HKD per head for onsite; 600 HKD per head for online presentation.

If you have any questions about logistics, please feel free to contact us at iaicsinfo@cityu.mo. I myself am also available to answer any questions you may have regarding the Conference and/or the Association.

Thank you in advance for your consideration, and I look forward to hearing from you and to welcoming you in Macau.

Yours sincerely,

Lixian Jin (Ph.D.)
President / Dean
