

## Letter of Invitation

26 April 2023

On behalf of the International Symposium on Display Holography(ISDH), We would like to officially invite you to attend and participate in the **"12th International Symposium on Display Holography(ISDH2023)" from June 26 to July 1, 2023**. The conference will be held at the SOfITEL Ambassador Seoul Hotel & Serviced Residences in Seoul, Korea.

• **Invitee Information**

- Name: WEINA LI
- Nationality: CHINESE
- Date of Birth(Gender): 15 March, 1986 (Female)
- Position: Lecturer of Shantou University
- Contact: +8617376612370
- Email: weinali@stu.edu.cn
- Address: Physics Department, College of Science, Shantou University, 243 Daxue Road, Shantou City, Guangdong Province, 515065, China

• **Purpose of Visit**

- To participate in the "12th International Symposium on Display Holography(ISDH2023)"
- Topic: Electronic, Digital and Computer-Generated Holography
- Paper Title: Removing holographic noise of multiple particles by using shallow U-net model based on digital holography
- Paper ID: ISDH2023-ED-0302

• **Conference Date**

- June 26 to July 1, 2023

We hope you will participate in this ISDH2023 and share your knowledge and insights with many other participants. Thank you in advance for your kind attention and consideration.

Sincerely,

**Seung Hyun Lee**

Ph.D., Professor

ISDH2023 Chair

Director of Immersive Content Display Center

Dept. of Immersive Content Convergence, Graduate School

KwangWoon University, Seoul, Korea
