Letter of Invitation

Dear Professor Zhongping Lai:

It is with great pleasure that I extend to you, on behalf of the committee of 5th International Conference on Advances in Civil and Ecological Engineering Research (ACEER2023), an invitation to visit Macau from July 4 to July 7, 2023. The purpose of your visit is to deliver a keynote speech on the international conference.

ACEER 2023 will be held in Macau, China during July 4-7, 2023, hosted by Macau Convention and Exhibition Association. It dedicates to promote an international platform for researchers, developers, engineers, students, and practitioners to share their latest ideas of civil and ecological engineering, thus fostering the prosperity of the discipline. More detailed information can be found via <http://www.aceerconf.org/>

The plenary session of ACEER2023 will include Keynote Speeches, Invited Speeches, Oral Presentations and Poster Presentations. On behalf of the organizing committee, we cordially invite scientists, scholars as well as entrepreneurs to participate in the conference. We have every reason to believe your participation will make our event more successful.

I hope my invitation will suit your schedule and if you should you have any questions, please do not hesitate to contact me. We look forward to welcoming you to Macau.

Yours sincerely,

Dr. Shibo Jiang
