Dear Colleagues,  
GREETINGS.

It gives us immense pleasure in announcing that the Eleventh International Conference on Fracture Mechanics of Concrete and Concrete Structures (FraMCoS 11) would be held in-person mode at Bangalore, India during the period **September 10 to 14, 2023.(Brochure attached)**

We, the members of the board of IA-FraMCoS, extend a warm welcome to you and invite you to participate in FraMCoS XI by sharing your valuable research.

**We make a special request to younger colleagues and students and encourage them to present their research. A certain amount of funds is earmarked for providing partial travel support based on academic credentials.**

We also welcome you to organize a mini symposium on any topic of interest under FraMCoS. A session organizer is expected to recruit about five to eight papers and serve as its chairperson.

The abstract submission date has been extended until the **30<sup>th</sup> of April 2023**. We request you to kindly upload your abstracts on the conference website <https://framcos11.iisc.ac.in>  
Looking forward to welcoming you at FraMCoS XI.

With best regards,  
J. M. Chandra Kishen  
Gilles Pijaudier-Cabot
