Dear Dr. Chen,

The Second HKSIAM Biennial Meeting

On behalf of the Organizing Committee, it is our pleasure to invite you to participate in "The Second HKSIAM Biennial Meeting", which will be held in The Chinese University of Hong Kong from 28 August to 1 September 2023.

The purpose of HKSIAM conference is to provide a forum to expose the mathematical community to the most updated advances in the field of industrial and applied mathematics, which further promotes research on various mathematical problems arising from economic development and technological advancement. It also aims to bring together different groups of mathematicians working on industrial and applied mathematics in Hong Kong and to stimulate new mathematical ideas, initiate and enhance the existing collaborations between the researchers in Hong Kong and the international community to produce first-rate results in this area

As a leading and active expert in industrial and applied mathematics, we invite you to share with us your latest achievements during the conference. Your contribution and support of being a speaker in one of our minisymposiums will be of great significance to the success of the conference.

We look forward to seeing you in the conference. For more information, please refer to our website at https://www.math.cuhk.edu.hk/conference/hksiam2023/. Please feel free to contact us at hksiam2023@math.cuhk.edu.hk if you have any inquiries.

Yours sincerely,

Jun Zou
