Dear Prof. Shuilong Shen

The 2nd International Conference on **Construction Resources for Environmentally Sustainable Technologies (CREST 2023)** will be held at Fukuoka International Congress Center, Fukuoka, Japan from November 20-22, 2023.

On behalf of the Organizing Committee, it is my great pleasure to invite you as the **Gold Sponsor** exhibitor at the conference. We request you to share and promote your scientific and technical resources among the academicians, researchers, professional organizations and students.

Please note that all the admitted exhibitors are expected to bear their travel and accommodation during the conference.

Look forward to welcoming you here in Fukuoka, Japan.

Sincerely,

Hemanta Hazarika
