## LETTER OF INVITATION

March 23, 2022

Dr. Yin Zhang (Passport Number: EA9549496)  
STU-UMT Joint Shellfish Research Laboratory  
Guangdong Provincial Key Laboratory of Marine Biotechnology  
Shantou University  
243 Daxue Road, Shantou, Guangdong  
515063, China

Dear Dr. Yin Zhang,

It is my pleasure to invite you to join my research group at the Institute of Tropical Aquaculture and Fisheries (AKUATROP), Universiti Malaysia Terengganu from September 2022 to September 2023 as a visiting scholar. As AKUATROP focus on the culture and research of tropical marine species including *Scylla* species. You study the metamorphosis mechanism of *Scylla paramamosain* larvae, I will be glad to help you with the culture of *S. paramamosain* larvae contributing your research. You can feel free to use the facility in my lab. You will be assigned to AKUATROP and your participation in the activities of AKUATROP shall be arranged between you and AKUATROP.

We both understand that your visit will be fully sponsored by China Scholarship Council. Based on the information I had, I have full confidence in your English language ability and trust that you can perform well in our program and accomplish the joint research.

Thank you.

Yours Sincerely,

Mhd Ikhwanuddin, Ph.D.

Director

Institute of Tropical Aquaculture and Fisheries  
Universiti Malaysia Terengganu
