Dear Prof. Yeyuan Xiao,

We are writing on behalf of the organizing committee to extend a warm invitation to you for the Joint Congress of the 9th International Water Industry Conference and the 4th WaterEnergyNexus Conference (IWIC-WEN 2023). This prestigious event is scheduled to occur from **5th to 8th December 2023**, in the vibrant city of Daegu, Korea, coinciding with the Korea International Water Week.

We sincerely appreciate your invaluable involvement, unwavering commitment, and continuous support for this scholarly gathering centered around "Carbon Neutrality in the Water Cycle." Your participation as an invited speaker holds immense significance in ensuring the success of this congress.

The conference organizers are pleased to offer the following support:

**i. An honorarium of 500 USD.**

Once again, we extend our heartfelt gratitude for your participation and support. We eagerly anticipate your presence in Daegu this December.

Warmest regards,

Kwang-Ho Choo
