Dear Prof Wen,

The Liu Bie Ju Centre for Mathematical Sciences (LBJ Centre) and Department of Mathematics of City University of Hong Kong (CityU) are organizing the "**International Conference on Analysis and Applications**" in honor of Prof. Roderick S. C. Wong's 80th birthday. The event will be held at CityU from **June 3, 2024 (Monday) to June 6, 2024 (Thursday)**. As a distinguished speaker in the field, we believe that your expertise and insights would be a valuable addition to the conference program. We are confident that your participation will contribute to the success of the event and inspire fellow researchers and scholars in the field.

We have the pleasure to cordially invite you to deliver a invited talk at the conference. Unfortunately, due to the limited budget, we cannot cover your accommodation and air-fare, but we will provide you an **honorarium of HK\$3,000 (~US\$385) and waive your registration fee.**

Thank you for considering our invitation. We look forward to hearing from you soon and hope that you can join us in celebrating Prof. Roderick S. C. Wong's 80th birthday.

Yours sincerely,
Dan DAI
