Yue Zhang  
yuezhang@stu.edu.cn

Dear Yue:

Your paper entitled ***Subband and Sensing Task Allocation for Next-Generation Mobile Crowdsensing Networks: An Optimal Framework*** has been accepted for presentation at the 2024 IEEE Wireless Communications and Networking Conference (WCNC) which is scheduled from 21-24 April 2024 in Dubai, United Arab Emirates. Per IEEE Policy, all accepted papers must be presented in person by an author in order to be published in the conference proceedings. You are expected to undertake all expenses associated with the travel to this conference.

Prior to applying for the visa, please carefully review all travel policies and guidelines with regard to travel to the United Arab Emirates. You can find this information by visiting:

<https://wcnc2024.ieee-wcnc.org/hotel-travel/visa-letter-request>

Please check "ADDITIONAL VISA INFORMATION FOR DUBAI" as you may obtain visa when going through immigration at the airport.

The IEEE is the world's largest technical professional association dedicated to advancing technological innovation and excellence for the benefit of humanity. Founded in 1884 by a handful of practitioners of the new electrical engineering discipline, today's Institute is comprised of more than 400,000 members who conduct and participate in its activities in 160 countries. The men and women of the IEEE are the technical and scientific professionals making the revolutionary engineering advances, which are reshaping our world today.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Shubair", is shown.
