Dear Professor Lou,

I wish to invite you to visit me at the School of Mathematical Sciences, University of Nottingham from 19th to 23rd of August, 2024 for academic exchange, and for potential collaboration in the area of harmonic analysis and its applications to the calculus of variations. I understand that the cost of this visit, including travel, accommodation and expenses will be covered by your own research fund. I will make a request to the School to provide you with office space, internet access and other facilities during your visit.

I am looking forward to seeing you in Nottingham in August this year!

With Best Wishes,

Kewei Zhang
