Re: Letter of Invitation for Prof. Shui Long Shen

To Whom it May Concern (Canadian Embassy- Visa Desk),

KMC Canada Corporate Inc. (KMC Canada) will be hosting the International Conference on Geo-Disaster and Construction Engineering 2024, Waterloo, Ontario, Canada. The Conference will take place on June 07-08, 2024, at Conrad Grebel University College, Affiliated with the University of Waterloo, 140 Westmount Rd. N. Waterloo, ON N2L 3G6.

This letter supports the Visa application of Prof. Shiu Long Shen

Date of Birth: 24 April, 1964

Affiliation: College of Engineering Shantou University

Current Address: No.243, Da Xue Road, Jinping District, Shantou, Guangdong 515063, China

Passport Number: PE1761496

Passport Issue Country: China

We are delighted to invite **Prof. Shui Long Shen**, as the **Plenary Speaker for the conference**. **Prof. Shen will be delivering a lecture entitled: "On Innovative Thinking Way in Engineering Science and Its Applications"**. As the **Editor-in-Chief** of "Smart Construction and Sustainable Cities" under Springer Nature and **International Advisory Committee Member**, **Prof. Shen's** physical presence and strong support during the conference will be highly encouraged. In order to establish the international research collaboration, from June 9-12, 2024, I also would like you to visit our company and University of Waterloo to discuss the details of the research topic and also welcome you to do exchange speech of our staff.

Please note that delegates are completely responsible for covering their own travel and accommodation expenses.

Any assistance you can offer **Prof. Shui Long Shen** with his application for a Canadian Visa would be greatly appreciated. We would be happy to provide any further information or answer any questions you may have.

Sincerely,

Mr. Kiran Hari Pradhan, B.Eng., MSc.
