To Whom It May Concern

**Invitation to visit ETH Zurich for Dr. Dongsheng Li**

This is to confirm that Dr. Dongsheng Li currently a Professor at Shantou University, is invited to visit the Chair of Structural Mechanics & Monitoring (SMM), at the Department of Civil, Environmental and Geomatic Engineering at ETH Zurich, for participation in the 9<sup>th</sup> International Workshop of Structural Control and Monitoring. The workshop takes place from 16.-18. June 2024.

During his stay, he will have the opportunity to closely interact with myself and other workshop participants. This kind of exchange can only take place in person, since in most cases it requires site and lab visits.

I look forward to welcoming **Dr. Dongsheng Li** at ETH Zurich and remain at your disposal for any further questions.

Best Regards,

Dr. Vasileios Ntertimanis
