Dear Mr. Jinning Liang,

I'm delighted to invite you to participate in the International Workshop on Algebraic and Geometric Representation Theory, as well as the Summer School in Integrable Systems Related to Reflection Groups in Algebra, Geometry and Topology, to be held at New Uzbekistan University, Tashkent, Uzbekistan from June 29th to July 15th, 2024. The workshop will host many advanced research talks by invited speakers. The leading experts, P. Etingof (MIT) and Y. Berest (Cornell), will deliver two series of lectures on the theory of double affine Hecke algebras in the summer school. Your participation of the workshop and the summer school will greatly benefit the mathematical communities in both countries.

Due to limited budget, you will be charged a registration fee of \$1000 for lodging and meals during your stay at Uzbekistan.

We are looking forward to welcoming you to our university. If you have any questions, please feel free to contact me.

Sincerely yours,
