## Letter of Invitation

Dear Professor Zhi-Tao Wen,

The 30<sup>th</sup> International Conference on Finite or Infinite Dimensional Complex Analysis and Applications (ICFIDCAA 2024) will be held at Graduate School of Information Sciences (GSIS), Tohoku University, Sendai, Japan, from August 19 to August 23 in 2024. Information about the conference can be obtained at the web site

<https://www.math.is.tohoku.ac.jp/~sugawa/ICFIDCAA2024/>

(a QR code is available on the sheet). We cordially invite you to give a talk at the conference. We also invite you to visit Tohoku University to discuss problems on complex analysis on 18th Aug. Unfortunately, we are unable to cover any travel expenses. There is neither participation nor registration fee.

We hope to see you in Sendai this summer.

Sincerely yours,

Toshiyuki Sugawa, Professor Dr.  
On behalf of Local Organizing Committee of ICFIDCAA 2024
