Dear Professor Feng,

I am writing to invite you to the Faculty of Mathematics and Physics at Kanazawa University to discuss the representation theory of p -adic groups during the period (tentatively October 24 - November 2, 2024) of your stay.

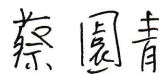

During your stay, I would also like to invite to to give a talk at

The 25th Autumn Workshop on Number Theory

organized by Shuichiro Takeda (Osaka University) and myself. The workshop is going to take place between Monday, October 28 and Friday, November 1, 2024.

We can provide financial support for your local expenses during your stay at Kanazawa and Sapporo. Please do not hesitate to let me know should you need any further clarifications regarding your visit. I look forward to seeing you soon in Japan.

Sincerely,
