Dear Dr. Yue Zhang,

I have the pleasure in writing to invite you as a Visiting Academic to visit my lab at the Department of Electrical Engineering, College of Engineering, City University of Hong Kong, from 1 July 2024 to 30 August 2024.

During your visit, we will discuss potential collaborations on physical layer technologies in wireless communications, particularly in base station deployment strategies, and seek mechanisms to establish regular communications with your research team.

We look forward to your visit. If you have any questions, please feel free to contact me.

Yours sincerely,
