

**School of Mathematics**

Faculty of Science

17 June 2024

Professor Shizhong Du  
Department of Mathematics,  
Shantou University,  
Shantou 515063, Guangdong, China

Dear Prof. Shizhong Du,

I have the pleasure of inviting you to attend Monash University as a Visitor in the School of Mathematical Sciences.

Monash University is one of Australia's and the world's leading universities. A member of Australia's prestigious Group of Eight universities, Monash has been consistently recognised amongst the top 100 universities internationally for delivering innovative research and achieving the highest educational standards.

**Visit Details**

The duration of your visit will be August 3-7, 2024. These dates and duration may be changed in consultation with you subject to confirmation by the university in writing.

Your primary University contact in relation to your visit will be A/Prof. Zihua Guo.

**Purpose of the Visit**

It is intended that your visit will primarily be to discuss some frontier problems in the fields of harmonic analysis and partial differential equations, and to give a talk in the school's analysis and PDE seminar. Please ensure you provide this information for all Australian immigration purposes including any visa application and to immigration officers at your port of entry.

**Visitor Benefits**

It is understood that this visit is fully supported by the funding of yours. However, Monash University will provide office space and computer facilities to you during this visit.

**Visa and Immigration Requirements**

This invitation is conditional upon you obtaining any approval and visa required from the Australian Department of Immigration and Border Protection (DIBP) for your visit.

Unless otherwise advised, the current and appropriate visa for your visit is the Visitor Visa (Subclass 600). This includes the 600 visa, as well as the 651 eVisitor visa and the 601 Electronic Travel Authority visa, which are available to certain passport holders. When completing your visa application please ensure that you apply for the Business Stream and not the Tourist Stream.

Postal – Monash University, VIC 3800, Australia

**School of Mathematics**

Faculty of Science

For visa application purposes this invitation letter confirms that you will not be employed by Monash University, and will not undertake any activities that would constitute productive work during your visit.

For details on how to apply for your visa, please refer to the Australian Department of Immigration and Border Protection webpage <http://www.border.gov.au/Trav/Visa-1/600->

**Further Information and Terms**

Please note that, as a Visitor to the University, you are not an employee, partner or agent to the University and Visitors are not entitled to salary or other employment related benefits.

If you require internet access while visiting Monash University please contact your supervisor and direct them to the Monash University Visitors webpage.

Monash University may cease the visit upon written notification to you.

**Acceptance and Documentation**

If you wish to accept this invitation, please sign a copy of this letter and return it within two weeks of the date of this letter.

We look forward to your visit and hope that you will be able to accept this invitation. We are sure that as a valued Visitor both you and Monash University will benefit immensely from your visit.

If you would like to discuss any aspect of this letter, please do not hesitate to contact Zihua Guo by telephone +61 3 99059647 or by emailing (Zihua.Guo@monash.edu).

Yours sincerely

I accept the invitation to attend Monash University as a Visitor on the terms and conditions in this invitation letter.

I also authorise Monash University to obtain information in relation to visa(s), passport and citizenship details from the Department of Immigration and Border Protection.
