**Invitation to give an Invited Lecture at the 12th Singapore International Chemistry Conference (SICC-12)**

Dear Professor Zhong,

The Singapore National Institute of Chemistry (SNIC) will be hosting the 12th Singapore International Chemistry Conference (SICC-12) on 9-13 December 2024. This conference will be the twelfth in its series and cover organic, organometallic, inorganic and materials chemistry. We are expecting about 2000 participants in total, with involvement from the academic and industry sectors. The theme of this Congress will be "Building Chemistry: Bridging Disciplines". You can find more details through the following link:  
<https://snic.org.sg/index.php/conferences/singapore-international-chemical-conference-sicc/sicc-12>

In recognition of your outstanding contribution to the field of organic chemistry, we are privileged to invite you to present an **Invited Lecture** during our conference as a world-leading scientist under the symposium of "Emerging Tech for Pharma Industry". The lecture time will be 20 minutes including discussions. Additionally, you are invited to the welcome dinner for the speakers and conference banquet.

If necessary, please bring this letter to Singapore Embassy for your entry visa application. Should you have any questions or require further assistance as you prepare for your visit, please do not hesitate to contact me. I will be happy to provide any necessary support.

I very much look forward to your visit in this December!

Yours sincerely,

Jie Wu
