### To Whom It May Concern

This is to confirm that **Prof. Federico Accornero** is welcome to participate in **FraMCoS XII - Fracture Mechanics for Concrete and Concrete Structures**, to be held in Vienna, Austria, April 23-25, 2025.

Please note that registration fees, travel, living and accommodation expenses will not be supported by the conference organizers.

Prof. Federico Accornero is author/co-author of the following accepted contribution(s):

Ductile-to-brittle transition in high-performance prestressed concrete beams: new standards for a safe and effective design

**Author(s):** Accornero, Federico; Xie, Dongxie; Kumar, Bineet; Carpinteri, Alberto

**Presenting Author:** Accornero, Federico

**Submission Type / Conference Track:** MS01: Next-generation reinforced concrete: brittle behaviour and fracture mechanics assessment

We look forward to seeing Prof. Federico Accornero.

With kind regards,

FraMCoS XII Conference Chair
