LETTER OF INVITATION

Dear Prof. Quan Wang,

I am pleased to extend an official invitation for you to visit Kyoto University and deliver an academic lecture as part of our ongoing research exchange activities. We highly value your expertise in structural engineering and believe that your lecture will be of great interest to our faculty members.

The lecture is scheduled to take place on March 24th, 2025 at Innovation Plaza within Kyoto University. During your visit, we hope to engage in discussions on potential research collaborations and academic exchanges between our institutions.

We will be happy to provide any necessary support regarding your visit, including visa application documents, travel arrangements, and accommodation recommendations. Please let us know if you require an official invitation letter for visa purposes.

We sincerely look forward to welcoming you to Kyoto University and greatly appreciate your acceptance of this invitation. Should you have any questions or require further information, please feel free to contact us.

Best regards,

Tomoki Shiotani, Professor, Ph.D.
