Subject: Invitation for Research Visit to Chung Yuan Christian University

Dear Prof. Wang,

As we discussed via email, I would like to formally invite you to visit our department at Chung Yuan Christian University from March 17 to March 20, 2025. Given that your research areas align closely with our department's mission, I believe your visit will be highly valuable for both you and our faculty members. It will provide an excellent opportunity to exchange research findings and discuss future perspectives in mechanics of materials and structural health monitoring.

All local expenses will be covered during your stay. Please feel free to reach out if you have any questions. I look forward to welcoming you soon.

Sincerely,

Te-Hsing Chang (張德鑫)

Chair, Department of Civil Engineering
