Prof. Federico Accornero  
Shantou University, Shantou, China

Dear Prof. Accornero,

**ICDM5 Invitation Letter**

We are delighted to inform you that your abstract titled “The Multi-fractal Scaling Laws (MFSL) of tensile strength and fatigue limit: Experimental confirmation for initially uncracked specimens and scale-ranges beyond one order of magnitude” has been accepted for ORAL PRESENTATION at the 5<sup>th</sup> International Conference on Damage Mechanics (ICDM5).

ICDM5 is scheduled from 16<sup>th</sup> to 18<sup>th</sup> July 2025 at the National University of Singapore, Singapore. Please visit <https://icdm2025.sg/> for the latest information. Thank you for submitting a high-quality contribution to our conference, and we look forward to your presentation.

We highly recommend making your travel arrangements as early as possible to ensure your availability for presenting your paper and participating in the ensuing technical discussions.

If you have any questions or need assistance, please do not hesitate to contact the ICDM5 Secretariat.

With Best Regards,

Associate Professor Poh Leong Hien  
ICDM5 Conference Chair
