Dear Prof. ZHANG,

On behalf of the organizing committee, I am pleased to invite you to attend **International Conference on Polysaccharides for Nutraceuticals and Future Foods (ICPNFF-2025)** during May 23-25, 2025 in Hong Kong (SAR of China). This conference is jointly organized by the Hong Kong Polytechnic University with several partner universities in China.

This conference is to provide a unique opportunity for scientists and professionals to share their ideas and findings on the discovery, function and application of polysaccharides for human health and food sustainability. It will be a medium-sized conference with 200-300 participants from all over the world. Conference program topics are highly interdisciplinary across the fields of polymer, food and health sciences and also cover the application of polysaccharides for development of nutraceutical products and sustainable materials.

Should you need any assistance, please feel free to contact us. I look forward to meeting you at the conference.

Your Faithfully,

Prof. Jian-Yong Wu
Conference Chair of ICPNFF-2025
