

Date: 7 May 2025
Subject: Invitation Letter
To: Whom It May Concern

1. We hereby invite

Junwen WU
PE3192668
Shantou University
wujw@stu.edu.cn

to attend AOGS2025, the 22nd Annual Meeting of the Asia Oceania Geosciences Society (AOGS). From July 27 to August 1, 2025, AOGS2025 will only take place in person at the Sands Expo & Convention Centre, Marina Bay Sands Singapore. There will be a scientific conference as well as an exhibition. Additionally, there will be a general assembly, a general election for the 2026-2028 office bearers, along with the presentation of the usual annual society honours and awards. The eight geoscience disciplines of the society – Atmospheric (AS), Biogeoscience (BG), Hydrological (HS) Interdisciplinary (IG), Ocean (OS), Planetary (PS), Solar & Terrestrial (ST), and Solid Earth (SE) – are the focus of the annual meeting, which is open to scientists, researchers, and practitioners in these fields. For complete information about AOGS2025, please visit this website: <https://www.asiaoceania.org/aogs2025/public.asp?page=home.asp>

2. Junwen WU will participate to deliver a presentation

Abstract Title: Source and Scavenging-accumulation Processes of Plutonium in the South China Sea
Presentation Mode: Poster

3. The attendee intends to travel from 27 July, 2025 to 2 August, 2025.

4. All expenses during the visit, including travel, accommodation, and daily costs will be covered by the attendee.

We kindly request you to approve the visit and/or issue the appropriate visa to facilitate their attendance. For further clarification, please contact the undersigned.

Yours sincerely,

Ms Zia Rahman
