RE: Invitation to 12th International Conference on Industrial Ecology (ISIE2025)
1-4 July 2025, Singapore

Dear Prof. Shen,

I am pleased to inform you that your abstract entitled “Climate Change induced vulnerability evaluation of UUS” has been accepted. We appreciate your contributions to the conference. On behalf of the Organising Committee, it is my pleasure to invite you to attend ISIE2025 and present your paper. I would also like to remind you to submit your full paper early to ensure a smooth review and inclusion in our conference proceedings to be published by Springer.

ISIE2025 will be held on 1-4 July 2023⁵at the National University of Singapore. It is organised by the International Society of Industrial Ecology (ISIE), National University of Singapore. We are honoured that ISIE2025 is supported by the Singapore Ministry of National Development and Singapore Tourism Board. Supporting Singapore government agencies include the Urban Redevelopment Authority, Land Transport Authority, JTC Corporation, Public Utilities Board, and Singapore Land Authority. For more information and updates, please visit our website at: www.isie2025.sg/. If you require any assistance, please contact our conference Secretariat Dr. Fredrick Tan Yong Anat: bdgkuahw@nus.edu.sg.

I look forward to welcoming you in Singapore.

Yours sincerely,

Harn Wei Kua
Organising Chair, ISIE2025 Singapore
Professor National University of Singapore
