Dear Dr. Huang,

I would like to invite you to visit the University of Macau for 14 days from 25 July to 7 August 2025 to collaborate with me on a research topic related to fast algorithms in Tensor-Train format for high-dimensional time-space fractional partial differential equations. Please note that expenses for transportation, accommodation, and meals will need to be covered individually.

It will be a great honor for me if you could accept this invitation.

Yours sincerely,
