Chairman of Tonle Sap Authority,
Kingdom of Cambodia

21st July, 2025

Dear H.E THOR Chetha,

Greetings from Changjiang River Scientific Research Institute!

In line with our previous discussions regarding the intended collaboration, we plan to visit Cambodia in August to conduct a field investigation on the changes in the relationship between rivers and lakes and their impacts on Tonle Sap Lake. This visit aims to foster substantive and focused discussions to advance our understanding of the critical river-lake interactions in Tonle Sap lake, and thereby laying a foundation for subsequent project proposals and implementation.

To maximize the effectiveness of this technical exchange and ensure our discussions are targeted and productive, we propose the itinerary in August as Annex 2.

To ensure the success of this visit, we kindly request your assistance with the following:

1. To issue an invitation letter for the delegation for visa application and internal process.
2. Providing assistance on site investigation of Tonle Sap Lake and surrounding area.

For this visit, CRSRI will cover all expenses including transportation, food, and accommodation. Should you require any further information or support from our side, please do not hesitate to contact us at pengjia@mail.crsri.cn.

We are very much looking forward to this visit and once again express our sincere gratitude for your kind invitation and anticipated assistance.

Sincerely,

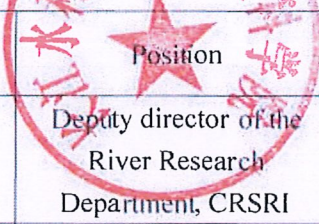

Changjiang River Scientific Research Institute
