Subject: Official Invitation to Keynote Speaker at the Conference ACUUS 2025 –
Belgrade, Serbia

Dear Miss. Yajie Wang,

I am very happy to invite you to the forthcoming 19th World Conference of the Associated Research Centers for the Urban Underground Space (ACUUS 2025) which will be held in Belgrade, Serbia, from November 3–7, 2025. On November 8, 2025, I also would like to invite you visit The University of Belgrade to make academic exchange and discuss the potential collaboration in the future.

The ACUUS 2025 offers an outstanding technical program on a wide range of topics, including but not limited to Underground and climate change, overcoming challenges in tunneling and underground design and construction, and advanced technologies and innovative solutions, architecture and planning-underground, safety, security and human factors, legal, entrepreneurial, and real estate aspects of underground space, and digitalization and AI toward underground space solutions, which will be presented in the published proceedings as well as in the oral and poster sessions.

We look forward to your presentation on the topic of “***Vulnerability of Metro System Due Flooding in Large Asian Cities***”. We are honored to have your contribution as one of the key highlights of our program. Your expertise and insights are of great value to our international audience and will significantly contribute to the success of the event. Looking forward to seeing you in near future at Belgrade!

Yours sincerely,

Marko Popovic
