CTTU AND TBM DiGs REGISTRATION CONFIRMATION AND VISA SUPPORT LETTER

Dear Haoze Wu,

Please consider this letter an invitation to participate the International Conference on Construction Technology in Tunnelling and Underground (CTTU) and Tunnel Boring Machines in Difficult Grounds (TBM DiGs), organised by Monash University, on 19-23 January 2026 at Monash University, Clayton Campus, Australia.

Your registration with the Conference is confirmed. Thank you for your participation and support to the Conference.

Please also consider this letter as a VISA support letter if you need to apply for an Australia VISA to attend the Conference. All conference registration, travel and accommodation expenses will be borne by the participant.

We are looking forward to meeting you in Melbourne in January 2026.

Yours sincerely,

Qianbing Zhang
