To whom it may concern

Dear Madam / Sir,

We will organize the 16th Budapest Pre-Moot between 23 March 2026 and 26 March 2026 in Budapest, Hungary. As a pre-moot for the Willem C. Vis International Commercial Arbitration Moot (Vis Moot), the Budapest Pre-Moot will offer practice at a high level for participating teams that are in the final stage of their preparation from all over that world to warm up for the coming Vis Moot. The Organizers of the Budapest Pre-Moot are not providing any financial support for the participants to attend the event.

We are delighted that the following members of the Vis Moot Team of Shantou University will join this year's Budapest Pre-Moot: Mao Yue, Tang Xiaosha, Wang Yikang, Cai Yu, and Gu Junfeng.

In addition to the official competition of the Budapest Pre-Moot, the team is welcome to visit Budapest before heading for the Vis Moot that will take place in Wien, Austria and is scheduled to start on 26 March 2026.

Yours Sincerely,

Dr. István Erdős
