To Whom It May Concern

This is to confirm that **Dr. Xie Dongxi** is welcome to participate in **7th fib Congress**, to be held in Lisbon, Portugal on June 15-19, 2026.

Please note that registration fees, travel, living and accommodation expenses will not be supported by the conference organizers.

Dr. Xie Dongxi is author/co-author of the following accepted contribution(s):

Experimental evidence of the size-scale transition from flexural cracking to shear to flexural crushing failure modes in reinforced concrete beams

Author(s): Kumar, Bineet; Xie, Dongxi; Carpinteri, Alberto; Accornero, Federico

Submission Type / Conference Track: Abstract Submission

Experimental evidence of the effects of steel-bar and fibre contents on ductility in hybrid-reinforced concrete beams

Author(s): Xie, Dongxi; Kumar, Bineet; Accornero, Federico; Carpinteri, Alberto

Submission Type / Conference Track: Abstract Submission

We look forward to seeing Dr. Xie Dongxi.

With kind regards,

Prof. Eduardo Júlio
Chair of the Organising Committee
